

ROTATING DOLLY

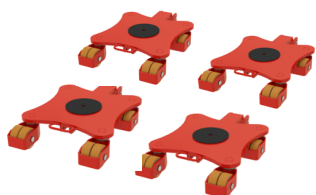

360° Maneuverability • Non-floor-damaging wheels

Model R10

Load Capacity:
10 tons each -or-
40 tons Set of 4

» Mix & Match
as Needed! «

Common Configuration
Set of 4

40 tons Set Capacity

Each dolly sold separately

For use on level floors only

**JUWathan+ Wheels
with Aluminum Core
and Dual Ball Bearings**

- Larger wheels ensure easy turning and rolling.
- Superior JUWathan material provides ultimate floor protection for heavier loads.
- Elastic material offers higher reliability under toughest conditions.
- Narrow wheels can rotate in opposite directions for easy turning.
