Manufacturer • MPN	JUNG • RS 3 T

JUWAmid Wheels with Dual Ball Bearings

- Will not damage or mark sensitive floors.
- Specially designed for turning in place (reduced rubber-effect on floors) for easy change of direction.
- Low rolling resistance and low break out resistance.
- Narrow wheels can rotate in opposite directions for easy turning.

For use on level floors only

WARNING! Not for uneven floors. Unequal weight distribution may occur resulting in overloading. Not for declining floors due to runaway load risk.

Free lifetime rigging & technical support. Entire parts available.
